Subject:	Now request for binary		
Description:	Hi team calculate, Is it possible to make a binary of 0ad and 0ad-data and unmask it ? Thanks		

History

0ad without 0ad-data is not compiled. Together they occupy 15% of the mirror. :-/

08/25/2016 10:23 am - Adrien Duck

OK.

Maybe 0ad is the engine of the game and 0ad-data just big files ?

only 0ad binary is possible ? (I think 0ad-data faster to compile than 0ad) ?
