- Target version deleted (10.9)

12/29/2010 11:30 pm - Dmitry Fomenko

Are this bug corrected? In last beta (seems 11.0, but i can have a mistake) it's not configurable from GUI KDE.

01/14/2011 12:25 pm - Alexander Tratsevskiy

- Status changed from New to Closed

- % Done changed from 0 to 100

Fixed in CLD 11.0 beta 2
