Fixed in calculate-utils-3.4.7.16

12/03/2016 07:12 pm - Vincent Poencet

Now i have the same error for dev-perl/DBD-mysql

12/04/2016 04:17 pm - Vincent Poencet

I was able to update directly via emerge, it seems that everything's fine after that.

Thanks
