Subject:	REDMINE : Problem with links on emails		
Description:	<p>Hi team Calculate,</p> <p>When I post on forum or on bug tracker, I recieve an email with links.</p> <p>These links goes on calculate-linux.ru, but, i am not connected on this website (connected on calculate-linux.org).</p> <p>So, i must edit the link on my browser to change .ru to .org.</p> <p>Is it normal ?</p>
